Thank you for choosing the Myofascial Treatment Center, LLC. We are dedicated to providing quality care in a comfortable setting!

Many times patients wonder what this specialized physical therapy is all about. Your experience as a former patient can provide helpful information for new patients interested in this, "hands on" type of physical therapy.

If you would, please share a few sentences about your treatment here. This testimonial is intended to be posted on our website, myofascialstl.com. Feel free to sign with your initials or first name. No last names will be used.

I appreciate your time and effort to respond!

Warm Regards,
Mary

Myofascial Therapy was recommended by my niece who experienced great success. So I did some research and tried it with wonderful success on my knee. The zen-like atmosphere and personal hands-on attention was more effective for me than a routine on machines. No lipase before exercises to support your office visits. The staff is very kind, considerate and timely.
