Thank you for choosing the Myofascial Treatment Center, LLC. We are dedicated to providing quality care in a comfortable setting!

Many times patients wonder what this specialized physical therapy is all about. Your experience as a former patient can provide helpful information for new patients interested in this, "hands on" type of physical therapy.

If you would, please share a few sentences about your treatment here. This testimonial is intended to be posted on our website, myofascialstl.com. Feel free to sign with your initials or first name. No last names will be used.

I appreciate your time and effort to respond!

Warm Regards,
Mary

When I arrived at the Myofascial Treatment Center, I had severe lower back pain. After 2 treatments, my back pain began to improve. After 4 weeks of 2 treatments each week, my lower back pain was no longer existing. After 2 months of continued treatments I can now bend over, pick up items off of the floor and squat about much better than I have in years!
