I had been suffering from migraines for over 20 years. During that time I was given numerous medications to try & prevent the migraines from starting or ~~stop~~ relieve the pain. Chiropractic offered some relief but it never lasted.

Mary has been able to pinpoint several <sup>postural</sup> problems from my childhood surgery to my current job & activities. She has been able to customize therapy I can do at home in combination with her therapy treatment at my appointments.

I have been able to stop taking all the prescription drugs ~~transcripts~~ that had been causing other side effects & I am free of pain!
