

Myofascial Treatment Center, LLC
142 Madison Avenue
Kirkwood, MO 63122
314-965-4404

Thank you for choosing the Myofascial Treatment Center, LLC. We are dedicated to providing quality care in a comfortable setting!

Many times patients wonder what this specialized physical therapy is all about. Your experience as a former patient can provide helpful information for new patients interested in this, "hands on" type of physical therapy.

If you would, please share a few sentences about your treatment here. This testimonial is intended to be posted on our website, myofascialstl.com. Feel free to sign with your initials or first name. No last names will be used.

I appreciate your time and effort to respond!

Warm Regards,
Mary

Two things that set Myofascial Physical Therapy apart from my previous experiences at other Physical Therapy facilities are:

1. Treatment by a Physical Therapist during my entire Physical Therapy appointment at the Myofascial Treatment Center.

Previous Physical Therapy appointments at other facilities consisted of evaluation by a Physical Therapist and then for the rest of the appointments assigned to an aide to do exercises I was going to do at home until I was discharged by a Physical Therapist upon release.

2. At the Myofascial Treatment Center my Physical Therapist was expert at recognizing where my pain was located and then tracing the fascia to other places on my body where she needed to work. As a result I got much better sooner and quicker than my other experiences. JA
